

Norwegian Energy Partners

NORWEP

The Energy Transition in the Renewable Future

Energia Renovável EM Angola 2022
5-6 Julho Luanda - Angola

NORWEP is an independent non-profit foundation established to strengthen value creation and employment in the Norwegian energy industry with a mission is to promote the Norwegian energy industry in overseas market.

As Norway has a long history in the energy market starting more than 100 years back with hydropower production and distribution this has enabled Norway to become one of the world's 7th largest hydropower producers.

• **Solar energy**

• **Offshore wind**

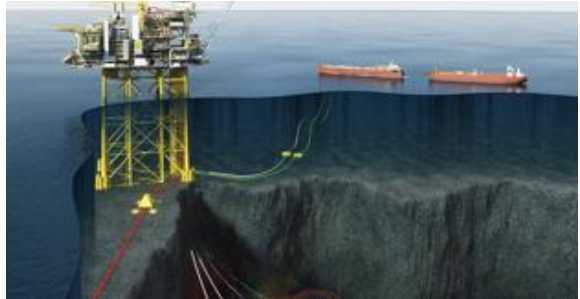

• **Hydropower**

• **Energy system**

• **Midstream oil & gas**

• **Upstream oil & gas**
